FLORENCE, Dec. 4.—The Temp high school girls and boys basketball teams played two games here last night at the expense of the local teams. The girls' game was taken by the fast visiting team with a score of 20 to 14. The Tempe girls are little, but their speed and team work simply rushed the home team off its feet and before they could get together the first half ... was over and Tempe had a seven-point lead. The Florence team attempted to stage a come-back in the second had and succeeded in passing the hood more times in this period than Tempe, but the lead obtained by the visitors in the first period was too great to

overcome The boys' game was featured by the Commercial basket shooting of a Tempe lightweight blic. tf by the name of Mullen, and by the ability of the referee to call fouls. The forward in question ran up eight baskets to his credit, while the referes succeeded in seeing 33 fouls. Tempe has a light fast team and though the team-work of both schools was about equal the home team could not seem to find the basket and it was a landslide for Tempe. The first half ended to 21, but in the second half the Moana. Beautiful bead necklace score took on a different complexion made from and has the fragrance of as the play stiffened and a 15 to 19
